EVENT CO-CHAIR

DAVID MACLEOD

CIO, Welltok

David MacLeod is the Senior Vice President and Chief Information Officer for Welltok, a Denver-based technology company that uses data-driven approaches to connect consumers to personalized health improvement resources and rewards to empower them to become their healthiest selves. David has over 35 years' experience in designing, developing, implementing and supporting technology across a variety of industries.

David is the current Chairman of the Board of 9Health. He is married to Kasia, who is the Community Engagement leader for Cigna in the Mountain States region.

EVENT CO-CHAIR

KASIA IWANICZKO MACLEOD

Community Engagement Leader, Cigna

Kasia Iwaniczko-MacLeod is the Community Engagement Leader for Cigna in the Mountain States, leading the community investments, employee engagement and civic relationship strategies, in addition to driving business development initiatives across the region. Prior to joining Cigna, she was the Sr. VP of Community Engagement and Enterprise Business for Bank of America.

Kasia has an extensive and deep-rooted community platform, having held Chief of Staff and various senior leadership positions in multi-industry companies and other fast-paced, high-pressured organizations in the public and private sectors with a focus on developing and executing vision and strategies; creating meaningful and lasting private-public partnerships; managing board and leadership team relationships and processes; recruiting, developing and leading teams.

She has been acknowledged for her leadership by being awarded the Denver Business Journal "Denver's Forty Under 40" Award and nominated for various other awards.

2019 URBAN LEGEND AWARD RECIPIENT

TAMI DOOR

President & CEO Downtown Denver Partnership

Tami joined the Downtown Denver Partnership in 2005 as President & CEO after serving as Executive Vice President of the Detroit Regional Chamber of Commerce, the nation's largest regional chamber, and as Vice President of a five-state division of NBD-First Chicago.

She is the Co-founder of Denver Startup Week and The Commons on Champa. Tami is a recognized leader for her innovative approach to convening, collaborating and innovating to build a strong city.

She is also the Chairman of the International Downtown Association.
